1. Sale Radiograph Requirements

Radiographs are required for all horses selling in the sale.

Radiographs must be taken within 60 days of the sale and must be submitted by December 1st, 2025.

The required views are:

- Lateral to medial, and two navicular views (60-degree DP and skyline/flexor view) of both front feet
- 4 standard views of hocks (LM, DLPMO, DP, DMPLO)
- 2 views of stifles (PLDMO, PA)
- Lateral to medial view of all 4 fetlock

The above 22 views are required for the repository. Any additional views can also be submitted. Only those accompanied by licensed veterinarians will have access to the radiographs in the repository.
